Librarian's Report.

The Library work for the past year has varied little from preceding years, with the exception of war requirements.

We gladly got together three large boxes of books, most generously contributed by our citizens and sent them to our soldiers in camp and abroad, also three boxes of magazines; these going to the Radio Hospital at Cambridge, Mass. More magazines are to be sent to the Army of Occupation in Germany as there is an appeal from the men stationed there.

I submit the following statistics for the year:

Accessions	300
